

Colour me in! Can you **find and circle** all the **things that go in your green bin**? It's important to know what goes in. Your green waste is composted and used to help farms and gardens grow.

Top 5 things to go in

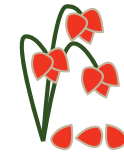

Grass clippings

Twigs and sticks

Garden prunings

Dead flowers

Weeds

Top 5 things to keep out

Bagged green waste

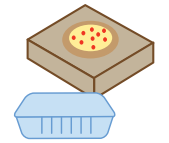

Pet poo

Fake grass

Garden rubbish

Packaging
